

# ROCCO ROBERTO BONGIOVANNI

Manager Compliance - Italy

*Johnson&Johnson Innovative Medicine*

## ABOUT ME

Quality & Compliance Manager with over a decade of experience in GCP/GVP Quality Assurance, Pharmacovigilance, and Clinical Operations within global pharmaceutical organisations. Strong analytical mindset, meticulous attention to detail, and proven ability to support inspection readiness, audit execution, and cross-functional collaboration. Passionate about enabling high-quality clinical research through robust GxP compliance.

## EXPERIENCE

### Manager Compliance - Italy
